## **IMPRESSIONS ABOUT EDHI AND HIS MOTHER:**

Edhi and his mother were very generous. They really knew how to help people. They help the needy people in their needs without even their knowledge. They had huge generous qualities. As they were not poor so it was very easy for them to help the needy. They never had any greed of money or something else. Edhi possessed great qualities in his childhood. He was generous, strong, wise and intelligent. He really know how to actually help people without embarrassing them.
